Yasmin,

Here is our response to request **A-2013-00125**:

"I would like to have the number of CBC personnel who are, or will be, in Sochi Russia for the 2014 winter Olympics, plus the total cost of sending them to Russia as well as the cost of their accommodation, food, clothing, etc."

The number of CBC/Radio-Canada personnel who were in Sochi Russia for the 2014 winter Olympics:

Production Team: **287**Crew in Sochi for set-up but not for Games: **5**Non production personnel in Sochi for business purposes: **23**

We are unable to provide the total cost of sending them to Russia as well as the cost of their accommodation, food, clothing, etc as we do not yet have total costs. Costs are not final as travel claims are still being settled and bills and invoices still being received and paid. Total costs will not be available until after the final close of this fiscal year.

Regards,
Nicole
